BXO

INTERNATIONAL TRADING LLC

Global Sourcing. Strategic Supply.

Established in Dubai, BXO International Trading LLC serves as a strategic B2B sourcing and supply-chain partner supporting companies across the UAE, GCC, and international markets.

Supplier Vetting · Due Diligence · Compliance Check · Market Access

Supplier Identification

Identifying and verifying global manufacturers and suppliers, ensuring compliance and quality with full transparency.

Logistics Optimization · Supply Routes · Multi-modal Freight · Cost Efficiency

Global Supply Chain

Optimizing international supply chains, from freight forwarding to inventory management, bridging markets for multi-modal delivery.

Seamless Procure · UAE Ecosystem · Sourcing Partner · Dubai Trading

Dubai Sourcing Hub

Managing the entire procurement lifecycle, connecting you to UAE's dynamic trading ecosystem with seamless solutions.

International Sourcing, Reliable Supply Chain Solutions.

Empowering businesses through global trade and efficient logistics.

Let’s Talk Global Sourcing

Our Mission

Deliver reliable, transparent, and efficient global sourcing solutions that empower businesses to focus on growth.

Vision

To be the leading strategic sourcing partner, bridging international markets with Dubai's dynamic trading ecosystem.

Global Product Sourcing

150+
Verified Suppliers

DUBAI
Headquarters

We help businesses source products from trusted international manufacturers and distributors — whether it's industrial equipment, hospitality supplies, consumer goods, or specialized materials.

Our sourcing process includes supplier identification, price negotiation, sample coordination, and order management. Every transaction is built on reliability, efficiency, and transparency.

HOSPITALITY SUPPLY

OS&E SOLUTIONS

0-3

FF&E PROJECTS

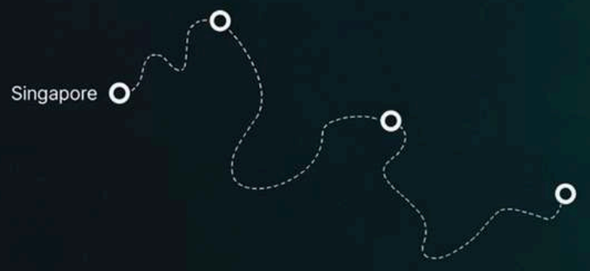

We are a trusted procurement partner for hotels, resorts, and serviced apartments. We supply a complete range of OS&E (Operating Supplies & Equipment) and FF&E (Furniture, Fixtures & Equipment) — including kitchen, engineering, and housekeeping products — tailored to each property's operational and brand standards. Our sourcing team ensures quality, durability, and timely delivery for every project.

SUPPLY CHAIN & CROSS-TRADE OPERATIONS

Dubai, United Arab Emirates

INTEGRATED SOLUTIONS | SERVICE AREA EXPERTISE

20°C

AIR FREIGHT | SEA FREIGHT | LAND TRANSPORT

We provide fully integrated supply-chain management to ensure smooth movement of goods from origin to destination. Our expertise includes **Cross-Trade Operations** — Managing international shipments directly between supplier and buyer countries without cargo passing through the UAE, ensuring compliance, documentation, and visibility at every step. **Order Management & Coordination** — Overseeing procurement cycles and delivery milestones. **Distribution & Local Support** — Managing delivery, last-mile logistics, and warehousing partnerships. We act as your outsourced global supply-chain department, ensuring every shipment — whether local or cross-border — is executed with precision.
